Dear Glenn, Jeff, Jim, Kate, and Phil (if you are available),

Thank you for agreeing to participate in the climate change and fisheries meeting that I am organizing with Joe Ebersole for Friday August 10, 2012 in Anchorage from 9am to 12pm. Please find attached a brief agenda for the meeting and the conceptual diagram that will be at the heart of our discussions on the 10th. If you have time to review the conceptual diagram before the meeting, I would greatly appreciate it.

If you have any questions, please feel free to contact me. I will be out of the office from July 31 to August 5, but will check my email sporadically.

I look forward to talking about climate change and sockeye salmon with you on Friday August 10, 2012.

Thank you,

Rebecca
